

San Jacinto College - EnergyVenture Youth Summer Camp

Eligibility: Student must be 12-14 years old by September 30, 2024, and have not previously attended EnergyVenture Camp. The camp’s activities and curriculum are designed for this age group.

Camp Details

Energy industry partners provide funding to qualified students so there is no fee associated with the student coming to camp.

Space is limited.

This funding will cover all fees associated with the camp activities. Snacks, classroom materials and all supplies including items for the lab experiments are provided at no additional cost.

Location/Dates/Times:

One-week camps, held at San Jacinto College Central Campus, Pasadena, TX

Students attend ONE week **only** because the curriculum and activities are the same each week.

To Apply:

Send an email to San Jac's staff member, Gloria Wynne - Gloria.Wynne@sjcd.edu to receive the camp registration forms. In your email, select and include the one week that you would like your student to attend - example, Camp 1, Camp 2, OR Camp 3 with the respective dates, see page 1.

Space is limited!

Seats at camp are confirmed on a first-come, first serve basis.

Unfortunately, San Jac's staff cannot HOLD seats due the popularity to this camp.

Once a member of San Jac's staff receives and reviews your camp registration forms, IF your student is accepted into camp, you will receive an email along with pertinent information:

1. You will receive a confirmation letter, showing the dates that your student has been accepted into camp. **Please note *only students with this confirmation and seat number (shown on your confirmation letter) will be accepted into camp.***
2. You will receive a campus map and a map of the location of homeroom/classroom.
3. You will get information about student **drop off, pickup, when lunches need to be brought to camp, student dress code, and other pertinent information.**

If the camp is full when we receive your completed registration forms, you will receive an email that there are no seats left or available for this summer's camps.
