

**MEMORANDUM OF UNDERSTANDING
FOR
JOINT ADMISSIONS
BETWEEN**

**The University of Houston System:
University of Houston,
University of Houston-Clear Lake,
University of Houston-Downtown,
University of Houston-Victoria**

And

San Jacinto College District

The University of Houston System (UHS) and San Jacinto College District (SJCD) agree to implement a Joint Admissions program that will facilitate the admission of qualified students enrolled at SJCD who complete the associate's degree (A.A., A.A.T., or A.S.) into four-year degree programs offered through the component universities of the UHS. The agreement also seeks to reduce the costs of higher education by encouraging students to complete the associate's degree at SJCD by improved and collaborative academic advising, and by completion of joint admissions contracts. This agreement provides only for admission to component universities in the UH System. Requirements for admission to individual colleges/academic programs in UHS may vary.

This agreement is intended to initiate further discussions between UHS and SJCD to form standardized Level II partnerships that clearly define academic pathways for students.

The Universities of the **UH System** will:

- Provide updated transfer and 2 + 2 UHS agreements in collaboration with the National Articulation and Transfer Network (NATN) to students seeking Joint Admissions;
- Guarantee admission to UHS institutions for SJCD students who:
 - Complete and submit a Joint Admissions Contract to the Admissions Office at SJCD and the respective UHS university indicated on the Joint Admissions Contract to permit the exchange of student information between SJCD and UHS. The Joint Admissions Contract should be

- completed and submitted in the first 30 SCH of coursework at the community college (includes developmental and workforce SCH); and
- have completed the associate's degree (A.A., A.A.T., or A.S.) at SJCD; and
 - are in academic, financial and disciplinary good standing.
- Provide reasonable access to UHS advisors at SJCD who can develop and provide degree plans for prospective students;
 - Advise students to complete the associate's degree at a community college;
 - Waive the existing requirements of a completed Transfer Application and the Transfer Application fee for students seeking joint admission under this agreement; and
 - Develop incentives for students to participate in the Joint Admissions Agreement between SJCD and UHS (i.e. use of learning resources, access to sporting events at UHS student rates, etc.)

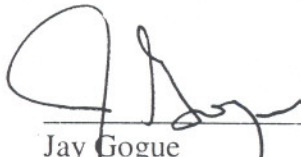

San Jacinto College District will:

- Work with UHS to promote the Joint Admissions agreement;
- Provide a list of interested students to the appropriate UHS institution(s);
- Assist students interested in participating in Joint Admissions in completing and submitting the Joint Admissions Contract in their first 30 SCH of work at SJCD; and
- Provide a copy of the community college application and all transcripts of each student seeking Joint Admission to UHS in accordance with FERPA guidelines and the Joint Admissions Contract. SJCD will not charge additional fees to students to facilitate this exchange of information.

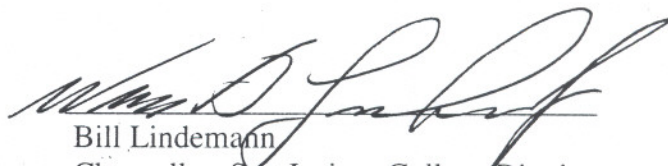

Both parties agree to work collaboratively to create professional development opportunities for advising staff to impact employee retention, enhance communication and improve the effectiveness of the SJCD-UHS student "pipeline."

This agreement is effective beginning with the fall semester 2006 and will remain in effect until further notice.

Agreed to this 16th day of MAY 2006 by:

Jay Gogue
Chancellor, University of Houston System

Bill Lindemann
Chancellor, San Jacinto College District
